

P-Pack Power & 6C Data

Under-desk power and data modules

KEY FEATURES

- Individually fused UK sockets
- Standard 6C data cut-outs
- 3-pole power input
- Mounting tabs
- 150mm earth lead
- Data cable gland exit

Combine power and data, or data only, in a modular under-desk enclosure. Data cables exit through a gland hole in the end cap; data assemblies can be pre-fitted.

Standard models

Part number	Description
P-Pack 2/2D	2 UK sockets; 2 x 6C cut-outs; 20mm data gland exit
P-Pack 4/2D	4 UK sockets; 2 x 6C cut-outs; 20mm data gland exit
P-Pack 4/4D	4 UK sockets; 4 x 6C cut-outs; 20mm data gland exit
P-Pack 0/4D	Data only: 4 x 6C cut-outs; 25mm data gland exit
P-Pack 0/6D	Data only: 6 x 6C cut-outs; 25mm data gland exit

P-Pack Power & 6C Data

START mains leads

Part number	Length
START 1	1m
START 2	2m
START 3	3m
START 4	4m
START 5	5m
START 6	6m
START 7	7m
START 8	8m
START 10	10m

Lead connection

START leads connect a UK 13A plug to the unit via a 3-pole connector.
