# PF Data Boxes · 4 & 6-Way

Data termination with 25mm or 32mm entry

## KEY FEATURES

- 6C data cut-outs
- Black fabricated steel
- Two-screw removable lid
- Keyed gland entry
- 60mm depth
- Horizontal or vertical 6C layouts

Bring data cabling from below the floor to the desk. Select horizontal rows or vertical pairs to suit the data modules and cable bend radii. A keyed base and label space assist installation.

## Standard models

| Part number | Description |
|---|---|
| **PF BOX 0/4V** | 4 x 6C positions in 2 vertical pairs; 25mm gland entry |
| **PF BOX 0/4V32** | 4 x 6C positions in 2 vertical pairs; 32mm gland entry |
| **PF BOX 0/4H** | 4 x 6C positions in horizontal row; 25mm gland entry |
| **PF BOX 0/4H32** | 4 x 6C positions in horizontal row; 32mm gland entry |
| **PF BOX 0/6V** | 6 x 6C positions in 3 vertical pairs; 25mm gland entry |
| **PF BOX 0/6V32** | 6 x 6C positions in 3 vertical pairs; 32mm gland entry |
| **PF BOX 0/6H** | 6 x 6C positions in horizontal row; 25mm gland entry |
| **PF BOX 0/6H32** | 6 x 6C positions in horizontal row; 32mm gland entry |
| **A25** | 25mm anchor bracket |
| **A32** | 32mm anchor bracket |
